## SURROUNDED BY MYSTERY! A Great Mistake.

A recent discovery is that headache,  
dizziness, confusion of the mind,  
etc., are due to derangement of the nerve  
centers which supply the brain with nerve  
force; that indigestion, dyspepsia, neuralgia,  
wind in stomach, etc., arise from the derange-  
ment of the nerve centers supplying these  
organs with nerve fluid or force. This is likewise  
true of many diseases of the heart and lungs.  
The nerve system is like a telegraph system,  
as will be seen by the accompanying  
cut. The little  
white lines are  
the nerves which  
convey the nerve  
force from the  
nerve centers to  
every part of the  
body, just as the  
telegraph wires  
convey the  
message from the  
station to every  
part of the land.  
Ordinary  
physicians fail to  
regard this fact  
and instead of  
treating the  
nerve centers  
for the cause of  
the disease, they  
treat the  
franklin miles,  
M. D., L. B., the  
highly celebrated  
specialist and  
author of many  
books on the  
subject, long since  
realized the truth of  
this statement, and  
his Restorative Nerve  
is prepared on that principle. Its success  
in curing all diseases arising from derange-  
ment of the nervous system is wonder-  
ful, as the thousands of unsolicited testi-  
monials in possession of the company manufac-  
turing the remedy amply prove.  
Dr. Miles' Restorative Nerve is a reliable  
remedy for all nervous diseases, such as  
headache, nervous debility, prostration,  
sleeplessness, dizziness, hysteria, sexual  
debility, St. Vitus dance, epilepsy, etc. It is  
sold by all druggists on a positive guarantee,  
or sent direct by the Dr. Miles Medical Co.,  
Elkhart, Ind., on receipt of price, \$1 per bot-  
tle, six bottles for \$5, express prepaid.  
Restorative Nerve positively contains no  
opiates or dangerous drugs.

## THE SILVER PLATFORM.

The silver wing of the Republi-  
can State Convention, unanimous-  
ly adopted the following platform:  
The convention endorses and  
adopts the platform of the Repub-  
lican State Convention, held at Va-  
city on the 30 of April last, as fol-  
lows:

Resolved, That we condemn the  
Republican party of the Eastern  
states and the administration of  
President Harrison, insofar as they  
have failed to accomplish the com-  
plete remonetization of silver, and  
to enact laws providing for the  
free and unrestricted coinage of  
that metal.

Resolved, That the restoration  
of silver to the place it occupied  
previous to the passage of the  
Mint Act of 1873, is essential to  
the prosperity of the country and  
paramount to all other political  
considerations. The legislation  
which robbed silver of its money  
functions and denied to the owner  
of silver bullion the right to have  
the same coined into money upon  
the same terms and conditions  
which apply to the coinage of gold,  
reduced the money of ultimate re-  
demption or payment, about one-  
half, and enabled the owners of  
money and obligations payable in  
money to monopolize the coin of  
the commercial world.

Resolved, That the people of  
Nevada are in favor of the coin-  
age of silver upon the same con-  
ditions which apply to the coinage  
of gold, and they are opposed to  
elevating any person to office who  
is not known to be unequivocally  
in favor of opening the Mints of  
the United States to the free and  
unlimited coinage of silver.

In view of the unsatisfactory at-  
titude of President Harrison to the  
paramount issue of the remonet-  
ization of silver, this convention  
will make no nominations for Pres-  
idential electors and the State Cen-  
tral Committee to be appointed by  
this Convention shall have no au-  
thority to put in nomination elec-  
tors.

The Convention cordially an-  
dorses the vigorous efforts of our  
Senators and Representatives to  
secure the free and unlimited coin-  
age of silver, and the educational  
work that they have done in pre-  
sents the true issue between the  
money powers and the bondhold-  
ers and laborers and producers of  
wealth.

And we favor the continuation  
of agitation and contention for the  
free and unlimited coinage of sil-  
ver at the present ratio of 16 to 1,  
for their own benefit and for the  
benefit of the people at large -  
miners, farmers, laborers and me-  
chanics.

The citizens of Nevada, repre-  
sentatives of the various silver  
leagues, irrespective of past party  
affiliations, in convention assem-  
bled, do set forth the following de-  
claration of principles:

First. We demand the full re-  
monetization of silver and the free  
and unlimited coinage thereof, at  
the present ratio of 16 to 1.

Second. We are radically and  
unalterably opposed to the Nation-  
al Republican and Democratic par-  
ties on the question of the free  
coinage of silver and we denounce  
the action of their recent national  
conventions as inimical to the ma-  
terial interests of the people of the  
United States, and especially to  
those of Nevada and all the other  
mining states and territories, and  
we therefore repudiate the nomi-  
nees of their convention.

Third. We pledge the nominees  
of this convention for Presidential  
electors to support no man for  
President or Vice-President of the  
United States who is not unquali-  
fiedly in favor of free coinage as  
defined by this convention. We  
rescue to the silver leagues of  
Nevada, in Convention assembled,  
the right of directing said Presi-  
dential electors for whom to cast  
their votes, should contingencies  
require. GEO. S. NIXON,  
Chairman State Committee of Sil-  
ver party.  
H. P. FLANNERY, Secretary.
